## NEWFOUND LAKE

Newfound lake, formerly known as Newfound Pond, is considered the largest asset to the town of Bristol. Utilization of the dwellings about the lake used to be summers only. Now people are coming to their cottages year round.

The lake's name does not fall in the same league of other New Hampshire lakes, in that it sports no Indian name. A move was attempted years ago to have it changed by the state legislature to Lake Pasquaney. The effort failed.

The water of Newfound lake is considered about the purest of any body of water in the United States. Salmon and trout fishing has always been popular.

Sightseeing excursions about the lake go back to the Civil War days with the first steamer, Cardigan. Other famous name boats along this same line were the Pioneer, Adelle, and Stella-Marions I and II.

Though some people did own their own summer home on the lake, early growth was primarily in rental units. Small cottages that a family could rent for a week or two during the so-called summer months.

Recent years have seen the trend toward building more private year round homes and the dissolution of the cabin complexes, these cottages being sold individually. Today finds many using their cottages weekends on a year round basis.

The waters of Newfound lake flow approximately two and one half miles and empty into the Pemigewasset river. At one time when the town of Bristol was at her industrial peak, there were a total of twenty-two industries alone along the Newfound river.

With more concern for the environment and a greater realization of the economic factor, developmental controls are coming into existence in the towns bordering the lake to aid in an orderly growth.

**TOWN WARRANT****The State of New Hampshire**

*To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Town Hall in said Bristol on Tuesday, the Fifth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Polls will close at 6:00 P.M.

Action on the following Articles at 7:30 P.M.  
Thursday, March Seventh, 1974.

2. To see if the Town will vote to rescind the part under Article 7 voted at the March 12th Town Meeting in 1968 under (a) to issue season Town Lot parking permits at (\$1.00) per automobile so it will read and vote: To issue season Town Lot parking permits at (\$3.00) per automobile. (Submitted by petition) Recommended by Budget Committee.

3. To see if the Town will vote to use the accumulated interest in the Proctor Capital Reserve Fund for improvements at the Town Beach if needed.

4. To see if the Town will vote the sum of \$3,000 for painting the outside and inside (including the floor) of the Town Hall on Summer Street.

5. To see if the Town will vote the sum of \$8,000 for necessary repairs to the west end of the Bristol-New Hampton bridge No. 113/064 as recommended by the State Department of Public Works and Highways.

6. To see if the Town will vote to raise and appropriate

the sum of \$6,166.05 for the Town of Bristol's share of cleaning and painting the Bristol-New Hampton bridge No. 113/064.

7. To see if the Town will vote to authorize the Selectmen to withdraw a sum not exceeding \$15,000 from Surplus Funds to be applied against budgeted appropriations. (Recommended by Budget Committee.)

8. To see if the Town will vote to appropriate the sum of \$130,000.00 for the construction of a new Fire Station and to authorize that said station be built under the direction of the Fire Commissioners. The price to be raised by borrowing on the credit of the Town through the issuance of serial notes or bonds, said notes or bonds to be signed by the Selectmen, countersigned by the Treasurer and sealed with the Town seal, and delegate to the Selectmen the discretion of fixing the date, maturities, denomination, interest or discount rate, the place of payment, the form and other details of said bonds or notes and providing for the sale thereof. (Submitted by petition) Recommended by Budget Committee.

9. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

<i>Appropriation</i>	<i>Amount</i>
Police Cruiser	\$ 2,600.00
Sander	3,500.00
Highway Improvement - Paving	13,900.00
	<hr/>
	\$20,000.00

Recommended by the Budget Committee.

10. To see if the Town will authorize the Selectmen to

negotiate for a Site of land for the Highway Department and to see if the Town will vote the sum of \$3,500 toward the purchase of said site. Recommended by the Budget Committee.

11. To see if the Town will vote to accept the budget as submitted by the Budget Committee and raise and appropriate the sums set forth therein to be raised by taxation.

12. To see if the Town will vote to authorize the Selectmen to apply for and receive any grants and/or financial aid from State and/or Federal sources in the event of any disaster, providing the Town is eligible to receive the same.

13. To see if the Town will vote to give the Town Clerk the power to administer oaths to such applicants who appear before her/him and to exercise the powers of the supervisors of the Check List. (Granted in RSA 55:10, 11, 12 and 13.)

14. To see if the Town will vote to elect the Town Clerk/Tax Collector for a term of 3 years. This would be effective as of Town Meeting 1975.

15. To see if the Town will vote to pay the Tax Collector at the suggested minimum salary scale as prepared by the New Hampshire Tax Collector's Association. *Example* follows:

Taxes	Rate	Pay
Up to \$500,000	3/4% (3/4% of \$500,000)	\$3,750.00
\$500,000 to \$4,000,000	1/10% (1/10% of \$3,500,000)	3,500.00
		<hr/>
		\$7,250.00

Such rate is to supercede the action taken on Article 3 of the Articles of the March 13, 1951 Warrant. Recommended by the Budget Committee.

16. To see if the Town will vote to abandon the road to the Elementary School off School Street. The Town however will continue to plow this road as per agreement with the School District.

## SELECTMEN'S REPORT

The year 1973 was an eventful one and will long be remembered. Prior to Town Meeting we were all saddened by the sudden passing of Daniel Clark who was devoted to the interests of the Town. A plaque has been placed in the Selectmen's Office in memory of "Danny".

The Ambulance Service has been organized and many of the area residents have had occasion to use and evaluate its benefits.

Reappraisal of property was started this past year, but due to Department changes at the State level, completion was delayed. Work has now been resumed and will be finalized early this summer.

Federal Revenue Sharing funds voted for our road building program have enabled us to refurbish some of our streets.

Heavy rains at the end of June caused severe flooding at the Lake and streams. Considerable losses were sustained by both business and private property. Then came the down-pour of July 4th which devastated our roads and public utilities. Thanks to the efforts of our Civil Defense, Police, Fire and Highway Departments as well as all those volunteers, no loss of life or injury occurred. The County was declared a Disaster Area and the town became eligible for Federal Aid. Estimates of damage were in excess of \$100,000 and a Special Town Meeting was held authorizing the Selectmen to borrow necessary funds pending receipt of Federal Grants. Partial payment in the amount of \$59,836.00 has already been received and the balance will be paid upon final completion and inspection.

The rebuilding of flood damaged roads has been the major objective of the Highway Department and most of our roads are now in very good condition. It is hoped that the Highway improvement program can be continued until all have been rebuilt or resurfaced. This will result in considerable savings in maintenance costs.

Events of this past year have indicated that more atten-

tion should be given to our Civil Defense Program so that we will be in a better position to cope with any future problems of a disaster nature. Action has already been taken and instructions and programming are being formulated.

Again we wish to extend our thanks and appreciation to the many elected and appointed officials and to all those who serve their community on various committees, giving their time in the best interests of all. Such continuing cooperation will result in a better Bristol. A special thanks to Mrs. "Jackie" Crouse, our amiable secretary, who has done such an outstanding and efficient job despite a steadily increasing workload.

Burton W. Williams, Chairman  
 Archie L. Auger  
 George S. King

#### BE NICE

Strange is our situation here upon earth. Each of us comes for a short visit, not knowing why, yet sometimes seeming to divine a purpose. From the standpoint of daily life, however, there is one thing we do know: That man is here for the sake of other men — above all for those upon whose smile and well being our own happiness depends.

Albert Einstein

**STATE AUDIT**

State of New Hampshire

Department of Revenue Administration

Concord, 03301

Lloyd M. Price  
Commissioner

Division of Municipal Accounting  
Frederick E. Laplante, Director  
February 11, 1974

Board of Selectmen  
c/o Mr. Burton W. Williams, Chairman  
Bristol, New Hampshire 03222

Gentlemen :

Due to a workload in excess of the personnel resources available to this Division during the calendar year 1973, we have been unable to perform an examination and audit of the accounts and records of your Town for the fiscal year ended December 31, 1972 before the publication of your 1973 town report.

We regret the inconvenience which this may cause and wish to assure you that an audit of your accounts will be scheduled as expeditiously as possible.

Our current projections provide that our next examination will cover the Town records for the fiscal year ended December 31, 1972 and December 31, 1973.

We are pleased to inform you that the 1973 Legislature has authorized additional positions for our audit staff. It is expected, therefore, that annual audits will be made on a more timely basis in the future.

Very truly yours,

FREDERICK E. LAPLANTE, Director  
Division of Municipal Accounting  
Department of Revenue Administration

## TOWN CLERK - TAX COLLECTOR'S REPORT

The growth of the Newfound Area particularly Bristol showed up again this past year. There has been an increase of people establishing permanent residency; many of whom have been summer residents for many years. The resident tax warrant shows that the growth is not just in the retired persons age bracket. There were 150 more auto registrations and even an increase in licensed dogs. The vital statistics remained about the same for the past few years with the exception of births which were down by almost one-third.

As of 1973 the towns now retain the entire resident tax receipts. In the past it was 55 percent.

The 1974 auto registration appears to be going easier this year with the more accurate computer printed permits. Early delivery to the office gave time for completion and hence no waiting lines. Persons who bring in their current registrations also speed up the process.

An additional service is now available at the town clerk's office. Persons may now purchase New Hampshire Fish and Game Licenses during regular hours.

This seems a good place to remind townspeople of the Monday evening office hours from 6-8 p.m. They have in general been poorly utilized and are there for your convenience.

Bristol can be proud of the way that the residents meet and pay their tax obligations.

PATRICIA D. WADE

**ROAD AGENT'S REPORT**

I wish to express my appreciation to the people of Bristol, Civil Defense, Fire Department, Police Department, Selectmen, and to Jackie Crouse for their great cooperation in our July disaster.

We have a good road improvement program started and hope it can be continued regardless of who your Town Officials are. I realize that no business can satisfy everyone, and your town is a business, but if we satisfied a large majority we will consider ourselves successful.

Thank you,

ARNOLD KIMBALL

## MINOT-SLEEPER LIBRARY

### Report of the Board of Trustees For the Year 1973

During 1973 the circulation of both adult and junior books increased. A great deal of credit for the increase in circulation of junior books in the fall should be given to Mrs. Eugene Morgan who volunteered her time and talent to present a story time on Wednesday, each week, to three groups of youngsters - pre-schoolers, kindergarteners, and children in Grades 1, 2 and 3. Because of her enthusiasm, dramatic skills in story telling and her assistance in selecting books for each individual child after the story hour, the children have eagerly looked forward to the next week's meeting and have selected books to be read at home. The trustees certainly appreciate and thank Mrs. Morgan for her assistance in broadening the library's services to the community.

Several times during the year the book committee attended book exhibits in Laconia as an aid in selecting new books. The Bookmobile also served as a source for books on loan from the New Hampshire State Library.

The circulation of books for the year is as follows:

Adult	7,835
Junior	2,532
Bookmobile	605
Magazines	1,360
Films	12
<hr/>	
Total	12,344

The trustees voted to allocate money secured from the sale of books and the collection of fines for the purchase of new children's books.

Again this year in cooperation with Newfound Memorial High School and the Appalachian Mountain Club, the library ordered films from the New Hampshire State Library for the benefit of community groups.

Books given by the following donors: The Bristol

Baha'i, Venning Sharp, Mrs. John Dane, Mrs. John Billeter, Andre Bourbeau, Donald and Brownlow Towle, Sumner Collins and some anonymous givers have been valuable contributions to the library and are greatly appreciated.

Also many helpful services have been contributed by interested friends of the library. Through the cooperation of the Community Services and the Retired Senior Volunteer Program, Mr. Venning Sharp has distributed and collected library books for shut-ins and senior citizens. Irving Faller furnished some fine exhibits of rare minerals over a period of several months, and Mrs. Robert Sargent provided artistic arrangements appropriate for the seasons and special holidays.

Early in the year, the trustees voted to remodel the basement to provide more reference and reading room space. For this year the major improvement was the installation of a new heating unit and partitioning off the furnace room. Additional remodeling is planned for the coming year.

Again this year the trustees feel very fortunate and grateful for the cheerful, cooperative and faithful services of our librarian, Myla Doran and our assistant librarian Carolyn Dickinson, who encourage and help attain fuller utilization of our library facilities which is our ultimate goal.

## REPORT OF THE BRISTOL FIRE DEPARTMENT

The Bristol Fire Department wishes to take this opportunity to summarize the fires and their activities of this past year.

The department responded to 35 calls from Dec. 1, 1972 to Nov. 30, 1973. There were 4 structural fires this past year, 7 chimney fires, 5 Mutual Aid calls, 2 car and truck fires or accidents, 2 boat fires, 1 brush fire, 2 gas and oil burner fires, 3 false alarms and 9 miscellaneous fire calls.

This year the Fire Commissioners have inspected most of the stores and public buildings in this town. Gas stations will also be inspected and these buildings will be checked twice a year.

The Commissioners have also had Codes no. 30, 31, 58, 70 and 101 adopted in Bristol for the protection and welfare of all the people.

A new site of land for a new Fire Station has also been purchased by the Fire Commissioners, as was voted at the last Town Meeting. The Commissioners are now going ahead with plans for the new station. These plans will be submitted to the people at this year's Town Meeting.

Training programs have continued as in the past and more training programs are scheduled for this next year. Several of the new firemen attended fire schools at Fitzwilliams and we hope more will attend next year.

Clerk

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

### NEWFOUND AREA NURSING ASSOCIATION

In 1973 NANA continued to serve the Towns of Bristol, Bridgewater, New Hampton and Alexandria by extending nursing care and physical therapy to members of these communities. The breakdown and the year's visits are as follows:

Skilled Nursing Care	1274
Health Promotion	
Disease Prevention	
Disease Intervention	82
Physical Therapy	79
	<hr/>
	1476

There has also been a staff turnover during the past year. There are two registered nurses, one licensed practical nurse and a physical therapist on the health team who work closely with the two local physicians. During emergency situations there has been good coordination between the ambulance service and the Bristol Police Department with whom we have radio service. A new position of executive administrator was filled by Micki Clark who handles the legal communications of the association and is a liaison between the board and the nursing staff.

This past year NANA was involved in such community activities as the Bloodmobile Drive held in August and a health fair held in November at Plymouth where approximately 400 persons were screened for diabetes, anemia, glaucoma, hypertension and oral cancer.

Members of the staff have attended various workshops relating to communicable diseases and care for the aged. Other meetings have been attended for the Vermont-New Hampshire Bi-State Home Health Agencies where we are kept informed of state and federal changes affecting home health. Through different surveys NANA has met all the requirements stipulated by Medicare and New Hampshire Department of Health and Welfare.

**BRISTOL PLANNING BOARD - 1973**

During 1973 The Planning Board held eleven regular monthly meetings and three special meetings. The Board held one final hearing, one preliminary hearing, and signed seven sub-division plans as not under the jurisdiction of The Planning Board.

In addition to its regular meetings the Planning Board members also attended the regular meetings of the Zoning Study Committee. It was hoped by now to have a proposed zoning ordinance to present to the Town. Due to the great amount of work and research that goes into drawing up a fair and workable ordinance of this kind it will be another few months before the first public hearing.

BRUCE EATON, *Clerk*

**POLICE DEPARTMENT REPORT****Year Ending December 31, 1973**

This has been a very busy year for the Police Department.

There has been an increase in violations, criminal cases and complaints of general nature.

There has been a sharp decrease in motor vehicle accidents and a non-fatal record still exists in Bristol.

The Police Department with the aid of the Federal Government and State and the Crime Commission has a complete new High Band Radio System which includes all State, Sheriff and Local contact and the Bristol Ambulance.

There has been an increase in Driving While Intoxicated cases in Bristol. These cases have doubled over last year. Other violations and criminal cases are up approximately 17% over last year.

The Department has had excellent cooperation from the town's people, the schools, Community Center, etc.

The members of the Department are continuing to increase their education by going to all schools for Police Officers that are available to help keep Bristol a safer place to live.

JOHN E. SMART

*Chief*

## BRISTOL CONSERVATION COMMISSION

The Bristol Conservation Commission has put in one of the busiest, most interesting years since its establishment in 1965. Our regular meetings are held the second Tuesday of each month, Sept. through May. However, this year it was necessary to have regular meetings all summer long. The agendas of these meetings have ranged from meetings with State officials: from DRED, State Conservation Commission, N.H. Society for the Protection of New Hampshire Forests, Bureau of Outdoor Recreation, Ford Foundation; to surveyors, lawyers and field trips along the banks of the Newfound and Pemigewasset Rivers.

Two roads were made scenic: Hemp Hill Road which affords the most picturesque view of Newfound Lake and Cardigan Mountain found in Bristol; and Round Top Mountain Road, another esthetic route viewing the town of Bristol. This action will preserve the natural state and beauty of these areas for future generations.

After much deliberation and hard work on the part of the Commissioners, a final draft on a land easement has been presented for legal review. When this is finalized the town of Bristol will have approximately 80 acres more or less preserved in its natural undeveloped state. This acreage is unsurpassed in visual beauty.

We have also made application to the Ford Foundation for a grant which will enable us to determine clear title to another parcel of land of approximately 5 - 7 acres. This is part of an overall project on acquiring a green belt along the Newfound River from the Lake to the Pemigewasset River. This will protect the town of Bristol against future use of this watershed and provide the control necessary to preserve the natural state of this beautiful river.

We have also put a lot of work into acquiring a good map file of the town of Bristol. Future plans include keeping an index on other open lands and wetlands in Bristol and recommending their use. With so many projects ahead of us, the commissioners look forward to another busy year.

ELEANOR CLARK, *Chairman*
